DISCOVERING THE WAY
FOR THE WEEK OF JUNE 3, 2018

GOING BACK

What impacted you the most from Sunday's message?

GOING AROUND

Share one way you can praise God today as you think about who God is? "Lord I praise You for Your..."

(love and compassion, grace, mercy, holiness, goodness, omnipotence, omnipresence, omniscience, truthfulness, righteousness/justice, eternity)

**How did you live out last week's truth that you tuned into? Who did you share it with last week?

GOING DEEPER

**READ John 15:1-17 out loud... (then read it aloud in another translation and then have someone re-tell the story)

**ENGAGE the text - what catches your attention and why? What does it say? (summarize it) What does it mean?

**If short on time, be sure to get through these questions

**Within the text, is there a sin to avoid? A promise to claim? An example to follow? A command to obey? A prayer to repeat? A challenge to face?

**How does this text fit together with the Galatians 5:13-25 text on fruit or does it even fit?

**STOP and ponder this text for a moment in silence...

What does this text teach us about the Triune God - Father, Son and/or Holy Spirit?

Where do we see Christ and the Gospel in this text?
What has God done through His Grace in this text?

**What does this text teach us about ourselves?

**If we believe these words are from God, how must we TUNE our lives to what they say or teach? Ask "What next Lord?" and then write down what He says...

GOING OUT

Do you know anyone you can share any of this with? How can you be a blessing to them this week?

**Break off into separate groups of men and women and ask, "What is one thing you really need prayer for this week?" then pray for one another...
