Grace Community Church Child Protection Plan...

Each day when your child is dropped off we will register him/her. The person dropping them off will need to come in EACH NIGHT to register them. The child will be given a new identification tag on each day and a MATCHING identification tag will be given to the person who drops off the child. This matching identification MUST BE GIVEN TO THE PERSON WHO WILL PICK UP THE CHILD. The volunteers who are working with Community Character Camp will also be identified with yellow T-shirts. We will not release a child unless the person picking up that child has the proper identification. We want to provide a safe experience for the children of Olivia. If you have any questions about this, or any other general questions, you can direct them to...
